I and Roy Shelton who works with me was standing on the Tripple Underpass bridge with a large group of people watching for the Presidential Motorcade. I saw a Convertable automobile turn West on Elm off Houston Street. It had preceeded about halfway from Houston Street to the underpass when I heard what sbunded like a shot a short second two more sharp reports. A man in the back seat slumped over and a woman in bright colored dress (Orange or Yellow) grabbed the man and yelled. One shot apparently hit the street past the car. I saw something which I thought was smoke or steam coming from a group of trees north of Elm off the Railroad tracks. I did not see anyone on the tracks or in the trees. A large group of people concoreated and a motorcycle officer dropped his motor and took off on foot to the car. XXXXXXXXXX
